1. The Bulgarian situation in a dispatch to the Vatican has been described as follows:

- The monarchy may be considered at an end, and a Communist Government is foreseeable.

The stand of Russia has given communism in the country a patriotic program, inasmuch as Russia appears to be willing to support Bulgaria against Turkey and in this manner Bulgaria can escape the consequences of her defeat and gain possibly almost as much as if she were a victorious nation.

2. The dispatch was sent by Mgr. Daniele Giovanni Theelan, Bishop of Nicopoli in Bulgaria.
